

HAPPY BIRTHDAY!

Pearl Sample is pleased to announce the Birthday Book Club! Each of our students will receive a brand new book on his or her birthday, absolutely free! It's our way of wishing your child a special day while helping them build their own book collection, and enjoy reading with their families. For children with summer birthdays – June and July books will be given out before summer break, and August books will be given out in September. We believe that reading is the gift that lasts a lifetime. If you are interested in helping with this project, we need volunteers to help with the gift wrapping. We'll provide the materials – just contact Mrs. Wallace in the library at x3728.
